Scholar Highlight

SPRING BREAK IN THE ROCKIES

The Boys Hope Girls Hope Scholars of Aurora Central High School took to the community during their spring break. One more quarter left....let's finish strong!

Food Bank of the Rockies

Scholars also volunteered at the Food Bank of the Rockies where they helped families shop for groceries and packaged food for future needs.

Boondocks

Aurora Central Students also celebrated their 3rd quarter success with a trip to Boondocks!

AAYL Conference

Scholars attended the 31st Annual African American Youth Leadership Conference in Colorado Springs. This years' conference provided keynote speakers and interactive breakout sessions that revolved around engineering, healing from generational trauma, and advocacy. It was a great opportunity for our BHGH scholars to learn, build social confidence, and provide networking opportunities. Freshman Scholar Lydia said, "I had a lot of fun. It was inspirational to see black culture come together."
